

# 10 YEAR UPGRADE PROGRAM

With more than 6,000 ozone generators installed around the world since 1995, service departments get requests for repair and service every day.

## Take Action

Get a complete evaluation of each ozone generator. Each evaluation report comes with a quotation for the cost to repair the equipment. Check to see if the ozone equipment was manufactured after 2003 by Pacific Ozone or qualified supplier.

## Explore Your Options

Pacific Ozone is currently offering existing customers great savings on our newest and most innovative ozone equipment. To show our appreciation to our long-term customers, you may be eligible for our Ultimate 10 Year Upgrade Factory Trade-In program.

## To take advantage of the upgrade program offers, you'll need:

- An existing installation of qualified ozone equipment
- Photos of your existing installation and ozone equipment
- The serial number, feed gas or air supply type and application/control details

## Here are three upgrade options:\*

### Repairs as Needed

Time and materials; Usually completed within 5 days; 90-day warranty

**10% Off**

### Full Factory Refurbishment

Complete refurbishment to meet Exchange Equipment quality standards; 90-day warranty

**20% Off**

### Factory Trade-In

Exchange ozone equipment 10+ years old for a new model; Get a 30% dollar-for-dollar credit towards the new ozone equipment; 2-year warranty

**30% Off**

\*This is a limited time offer. Pacific Ozone may change or terminate this program at any time without notice. Please check with your Pacific Ozone representative for current conditions and availability. © 2013, Pacific Ozone Technology, Inc.
